MODERN HOLIDAY

classic perspective

Whatever the holidays mean to you, however you celebrate, your designer is here to look, listen, and translate your ideas into a home that feels just right. **All you need to do is schedule a complimentary design appointment—and your designer will do the rest.**

EVERGREEN DREAM

Nothing says "holiday luxury" like layered bedding in shades of rich pine and cool frost. Our hand-tailored Woolson bed, with its tufted winged headboard, makes a bold, fashionable statement in any bedroom.

UNIQUELY YOURS

This thoughtful space, curated by our designers, has room for every treasure that catches your eye—like our Killian rattan-wrapped chandelier and our handcrafted Corin dining table, available in the shape, size, finish, and top style of your choice.

INTERIOR DESIGN BY ETHAN ALLEN

WHERE THE SKILL OF AN EXCEPTIONAL INTERIOR DESIGNER
MEETS THE CUSTOM CAPABILITIES OF ONE OF THE WORLD'S
MOST TRUSTED FURNITURE MAKERS.

There's no catch—Ethan Allen's interior designers come up with ideas for spaces, help clients place custom furniture orders, and make delivery day a dream come true. **From start to finish, this professional service is complimentary.**

It's for clients who are redoing existing spaces, making fresh starts, designing second homes, or investing in property. Our designers can start with a floor plan, a photo, or a visit to your home—whatever works for you.

Your Ethan Allen designer will help you select fabrics, leathers, and finishes; create custom window treatments, bedding, and more; and manage your project from idea to delivery day. One of the biggest wow moments will be the 3D walk-through they create of your new space.

Some clients know exactly what they want; others say "just make it fabulous." Either way, you'll be amazed by what your home can become in the hands of an Ethan Allen designer.

HOLIDAY CLASSICS

modern perspective

For a new take on holiday living, our designers paired tidy patterns and layers of texture with wow-worthy elements like our Whitney crystal chandeliers and a striking purple Shelton sofa.

TIMELESS GLAMOUR

Formal details—our Stanton table's sculpted base, our grand Dorset display cabinets, even our Dara chinoiserie mural in blue—guide the eye around this room fit for cozy holiday gatherings.

NATURAL INSPIRATION

Botanical elements add an infusion of the great outdoors into this formal bedroom, where the unexpected addition of a cherry blossom print exemplifies how, at Ethan Allen, you can create something one of a kind.

CUSTOM FURNITURE IS WORTH THE WAIT

OUR FURNITURE MAKERS ARE AMONG THE MOST SKILLED AND PASSIONATE PEOPLE IN THE BUSINESS. AT OUR NORTH AMERICAN WORKSHOPS, THEY CRAFT ABOUT 75% OF OUR PRODUCTS, MANAGING THE PROJECT FROM FOREST TO FINISH.

MAIDEN, NC

SILAO, MEXICO

Much of our wood furniture begins with logs we source from Appalachian forests. Our craftspeople select and mill most logs themselves, drying the wood in our own kilns. From there, they shape and assemble each piece, then sand, distress, and finish your furniture by hand.

In our upholstery workshops, your furniture is tailored by hand using fabrics and leathers that meet our stringent requirements for quality. Our artisans add the details you choose, from contrast welting to nailhead trim.

It takes time to craft something valuable—no fast furniture here—and for almost a century, the results have been worth the wait.

first-time clients FOREVER-BEAUTIFUL HOME

A recent walk-in client approached Renee Parenteau of the Southlake, Texas, Design Center with a vision: **a comfortable, entertaining-ready home inspired by colorful artwork they'd collected.**

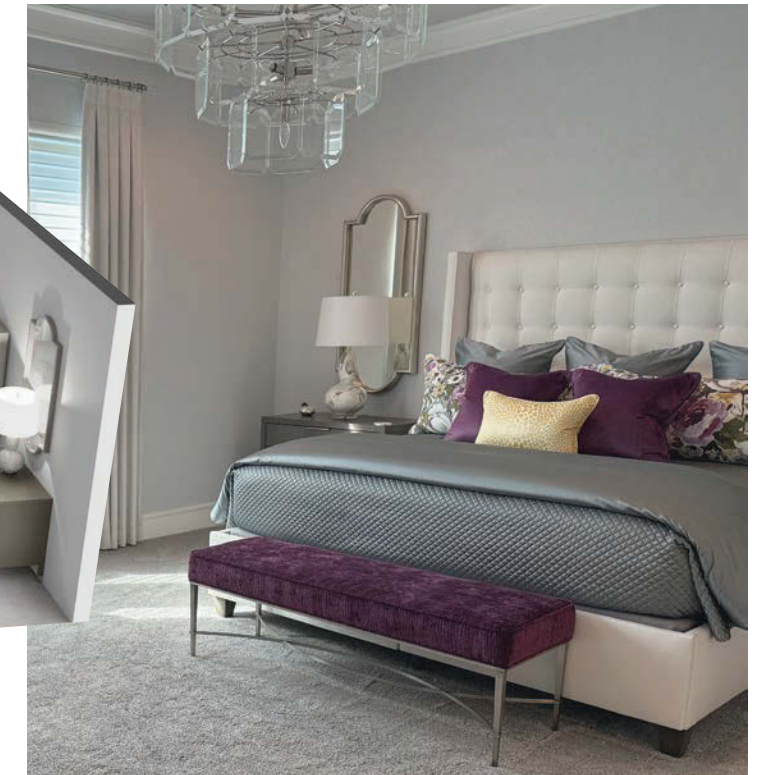

Renee Parenteau
Interior Design Consultant
Southlake, TX

Renee kept the overall color scheme tranquil, bringing in statement lighting and pops of color: navy and bright green in the living room, splashes of plum in the bedroom. **She also selectively introduced patterns, like the tight geometric print on the dining room's Clinton bench, and in the custom pillows on the bed.** "Color, contrast, and scale are always a consideration when I combine different patterns."

For the bedroom, she turned to one of her favorite pieces: **the Colton bed, which she had hand-tailored with a modern pattern tuft.** "I love the Colton bed because it is so versatile and coordinates with every interior style," she notes. "My must-haves in any design are balance, proportions, and continuity."

3D Floor Plan

No matter how long you've been working with us, or even if we're meeting for the first time, interior designers like Renee will look, listen, and put their skill to work, creating a look that's exactly what you want. **Get started with a complimentary appointment today!**

When asked what makes working with Ethan Allen really special, Renee had a quick answer: **3D planning. "I love offering 3D video tours to show my clients exactly how their space will look."**
